Place of Birth Valencia

Salads

• Fruits & desserts

IDENTITY CARD

TUSSOCK JUMPER REPUBLIC

My small grapes are hand-picked at the optimum stage of ripeness from late August to mid-September. They give forth a more concentrated juice as well as more concentrated aromas extracted from the skin. The soil content is mostly made up of limestone.

APPELLATION

PDO Valencia

MY ANALYSIS

Alcohol: 11% Total Acidity: 5.2g/L Residual Sugar: 60g/L
