- Sweet and gentle with mild and round tannins
- Delicate and easy-to-drink

- Grilled, roasted or braised meat
- Pizza
- Tex-mex

>>>>>>>>>>>>>>> Serve: 64°F - 18°C <<<<<<<<<<<<<<<<

My harvest starts in early March. Grapes are crushed immediately to preserve the optimal aromas. A pre-fermentation maceration is performed at 12°C during 48 hours. Then fermentation takes place between 23°C and 26°C, during 9 days, with the addition of selected yeasts. 30% of this blend is oak aged for 3 months, half in French oak and half in American oak.
