Place of birth Treviso

Distinctive signs

- Pale straw yellow colour with lively perlage
- Fruity flavours of peach and apricot
- Fresh and harmonious to the palate

- Aperitif
- White meat
- Fish

e meat DE

MY ROOTS

From the Treviso region my grapes grow among the hills of other appelations such as Prosecco. The soil and the climate conditions there are the best to create this unique wine. The sparkling process uses the Charmat method resulting in an extra dry crisp wine.

MY ANALYSIS

Alcohol: 11.0% Total acidity: 3.2g/L Residual sugar: 13.0g/L
