- Grilled meat
- Stews
- Asian food

>>>>>>>>>>>>>>> Serve : 64°C - 18°C <<<<<<<<<<<<<<<<

Our Pinotage is sourced from the renowned Wellington region in South Africa, known for its warm and dry climate that promotes the growth of robust and flavorful grapes. The vines are grown in soils that are a mixture of shale and granite, providing a unique mineral composition that influences the character of the wine.

The Pinotage grape variety produces a wine with a deep ruby color and bold flavors of dark berries and plums, with subtle hints of smokiness and spice.

Our Pinotage is aged in oak, which contributes to its smooth and velvety texture, as well as notes of vanilla and toast. With a full body and a long, satisfying finish, this Pinotage is the perfect pairing for hearty dishes such as grilled meats and stews.

Western Cape, South Africa

Alcohol : 14.5%
