## MY ROOTS

Nestled in the heart of Manzanares, Spain, with soils consisting of a blend of chalk and clay, our grapes are perfectly equipped to produce a wine that showcases the best of this region. Our blend of Tempranillo and Cabernet Sauvignon grapes are carefully crafted without the use of oak to allow the true essence of the grapes to shine through. The warm sunny days and cool nights in Manzanares provide the ideal growing conditions for our grapes, resulting in a wine that is full of rich fruit flavors and has a smooth, elegant finish.

APPELLATION

Red blend – Vino d'España

## MY ANALYSIS

Alcohol: 13,0%

Total acidity: 3.3 g/L

Residual sugar: 5.3 g/L
